

## **Walking and Cycle improvements between Junction of Derby Street / Borough Road and Town Hall, along Borough Road, Burton – Scheme Update**

Further to my original correspondence dated 16<sup>th</sup> February and due to unforeseen constraints, the planned works have been re-phased as follows:

### **Phase 4 (12/03/26 – 13/04/26)**

A road closure on Borough Road between No.37 and the Wellington Street junction, and a right-hand lane closure on Derby Street from No. 10 to the Borough Road junction.

A road closure southbound side of carriageway between No. 17 Wellington Street and Borough Road.

*Late Wednesday / Early Thursday switch over*

### **Phase 3 (14/04/26 – Start of Phase 5)**

A road closure from the Splitter Island of Shobnall Road roundabout northbound to Curzon Street. There will be 'access only' for frontages within the closure points.

A full road closure will be in place between Curzon Street and No. 16 Waterloo Street, and on King Edwards Place from Rangemore Street to Wellington Street

Please follow signage and direction of Traffic Management Officers onsite.

Please note that the above dates are subject to change. Any changes will be communicated to you with on street signage

Thank you for your cooperation. Please accept our apologies for any inconvenience this may cause, and we kindly ask for your patience during this time.
